Continue under the railway bridge, past the Rugby Club on your RHS, then at the next roundabout take the 2<sup>nd</sup> exit – sign posted Lanark A706 and continue out into the countryside. There is a short straight then a double S bend - the main road then crosses the Union canal with right of way being given to the traffic from Linlithgow. At this point Woodcockdale Farm and a sign for Arn House is on your right. On Crossing the Union Canal the road rises steeply – the entrance to Arden House and Belsyde House is approx 500m up on the left. There is a lodge cottage at the entrance and a large set of pillars – sign posted Belsyde House and Farm. At the 4<sup>th</sup> roundabout where there is only a left or right exit - take a right onto the A706. Further on you will see a brown sign for Torphichen on your right - from this signpost we are exactly 1.7 miles further on, on the A706. **DO NOT TAKE THE ROAD TO TORPHICHEN** Half a mile further on, there is a sign for Bowden Fisheries on the right followed by a bad bend then a stone sign for Blowshinne on your right. Slow down at this point as the entrance is 200 meters further on – on the right hand side on a sharp left hand bend. There is a Lodge Cottage at the entrance and a sign for Belsyde House and Farm – turn right at the Lodge Cottage and continue up the driveway to Arden House which is on the right. ( Should you miss the entrance and reach the canal you have over shot the entrance by 500 meters. Turn in the entrance to Woodcockdale Farm/Arn House and head back up the incline, the entrance is then 500 m up the hill on your left.

From Junction 4 the journey should take approximately 15minutes.
